Togetherness Is Power

History

2005, EXQUISITE INTL was founded in a small apartment in Beijing, China, start make biz of light duty conveyor belt and rubber conveyor belt.

2008, EXQUISITE INTL set up Export Dept, and exchange knowledge and experience with universities, from here our intl trade increases sharply.

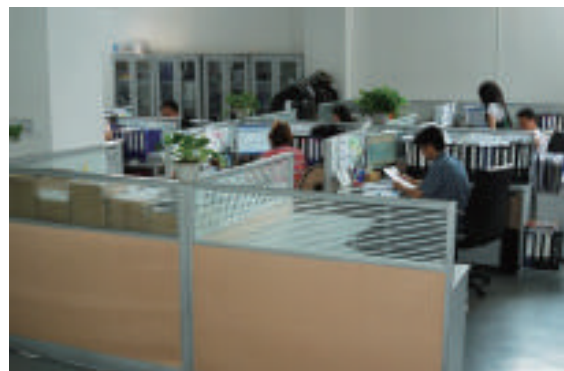

2010, EXQUISITE INTL analyze and predict the Belt Market, invest Shanghai Factory and own 30% company share, purchase some new machinery and equipment from Germany, thus we have more rights in the quote of conveyor belt.

2013, EXQUISITE INTL modulate the work process, improve the production rate 30%, our production and sales volume is on Top 10 in China.

2015, EXQUISITE INTL construct new warehouse, store kinds of general belt, satisfy the request of urgent order.

2016, Establish Office in Hongkong.

INDUSTRIES

EXQUISITE INTERNATIONAL integrate the research and development, production, processing, marketing and foreign trade, invest new Shanghai Factory, factory area of 30,000 square meters, construction area of 21,000 square meters, the annual production capacity can reach more than 500,000 square meters.

Beyond 10 Years

EXQUISITE INTERNATIONAL was established on 2005, we have accumulated many belting experiences, successfully solve kinds of problems during the belt running, design the special conveyor belt for customer's projects, widely used into kinds of industries, export 30 countries and regions, build the fine reputation in North China.

Excellent Quality

Quality is our foundation, service is our promise, three "EXQUISITE" is our development belief: exquisite customization, exquisite quality and exquisite service.

Futuristic Innovation

We invite experts and import advanced technology from Beijing Academy of Science and Technology (BJAST) in the plastics, transform the technology and knowledge into productive forces.

Outstanding Design

Flexible design and develop the belt structure or chemical capacity, make the belt better for your project, improve the life of belt, greatly save cost.

Professional Service Team

Free technical support, 7*24H service.
Professional service team, many staff graduate famous universities and institutes..
Our Export Agency: JIANGSUCROSS-BORDER E-COMMERCIAL SERVICE CO., LTD, the Listed Company in Hongkong, high efficient to finish all the export process by lower cost in shorter time.

WHY US

FAQ

1. Are you Trader or Manufacturer?

EXQUISITE INTERNATIONAL invest 30% funds in Shanghai Factory, we have right to decide the quote.

2. Why does establish Beijing Office?

Beijing is the capacity of China, there are many different talents and experts, EXQUISITE INTERNATIONAL need talents, we can not walk longer without talents.

3. What is the difference from your belts comparing to other suppliers in China?

EXQUISITE ITNL all the time insist on the quality pure raw materials and special unique formulations, our belt work life plus 5%-10%, outstandingly reduce the user's cost and increase the productivity rate 10%-20%. Three "EXQUISITE": exquisite customization, exquisite quality and exquisite service.

4. How can I receive your BEST quote?

Generally speaking, width 2m X length100M is best size, standard size, called rolled belt in China, our machine can produce it very easy in one time, save much cost, so you can get best quote, mix your profits. But if you want other size, the process of production will be much more complicated. Non standard size belt price= rolled belt price X 1.5, so high in China, except belt with the width 3m. So we advise the rolled belt, the standard size width 2m X length100M size for you, we will cut any size for total free.

About discounts: we will offer different discounts by market situation and your order condiiton.

5. How long the quote validity is?

About 30 Days. If the raw materials or exchange rate fluctuate largely, it have to be very short, 5-7 days validity.

6. Can you offer some samples for free?

Yes, samples for free. But we need charge the air freight before we post to you, customer order 400m belt, it can be refunded. Or we post samples by your express account.

7. Can you support third third inspection?

Yes, you can check our belt before the delivery.

8. How long the delivery?

5 days for stock, usually 15-30 days.

9. Can you offer Quality Warranty Agreement?

Yes, pls download EXQUISITE INTL Quality Warranty Agreement.pdf

10. How long can I get perfection reply?

Usually 1 days, lastest 3 days.

11. How can I complain?

We are so sorry you complain us, pls describe your complain clearly, send email to info(at)exquisiteconveyorbelt.com.

Your unsatisfy is our improvement, our kind service will solve it ASAP.
